* SPECIAL OFFERS BUSINESS CUSTOMISED SMILERS 3 *

Dear Collector,

Welcome to our third Business Customised Smilers sheets flyer. There is no doubt that interest in Smilers Sheets has increased considerably with Royal Mail producing several generic sheets each year.

The nice thing about all of the sheets on this flyer is that they are all strictly limited numbered editions and many are now in very short supply. Some of these we have very small quantities of now so early ordering is strongly recommended.

Once again there are a wonderful array of themes and subjects. Unlike most of our flyers there is no common pricing on this flyer, all items are individually priced, but buy two or more items and your order will be post-free. Orders for single sheets are subject to a £2 p&p charge. Please note all sheets are despatched in board-backed envelopes with additional stiffeners to arrive in good condition.

Happy hunting!
